

## SPECIAL EVENTS

### Wednesday – Welcoming Reception

#### **KSPE's Louisville Chapter – Our Host - invites you to the 2008 Annual Convention Welcome Reception at the Louisville Slugger Museum.**

by James Moses

The Museum is located at 800 West Main Street, just a short walk from the Galt House.

Join the Louisville Chapter as they showcase one of Louisville's most notable landmarks, the Louisville Slugger Museum. Hors d'oeuvres will be served during this reception. You will be able to explore the Museum and maybe even "try out a bat".

Louisville Slugger Museum & Factory is one of the city's most popular attractions. The location is well-marked by the World's Biggest Baseball Bat that casually leans against the side of the building. Visit the web site for more information: [www.sluggermuseum.org](http://www.sluggermuseum.org) For those registered for the Convention the cost is only \$10 -- the reception will be from 6:30pm – 8:30pm on Wednesday.

### Thursday – Theme Night – Derby Festival Event

Thursday evening enjoy being part of the Kentucky Derby Festival with a fun evening at the riverfront. Beginning at 7:00 p.m., we will gather at a special KSPE tent on the Riverfront and enjoy food and drink from the infamous Chow Wagon. After our appetites have been satisfied, you will have the opportunity to be part of the 4<sup>th</sup> Annual Balloon Glimmer!

The Glimmer is the first of five balloon events being held during the Great BalloonFest, part of the Derby Festival activities. Last year 26 balloons fired up on the Great Lawn to kick-off the balloon weekend and the grand opening of Derby Fest-a-Ville on the Waterfront.
