IMMEDIATE RELEASE

**Engineer with Army Corps Takes Home Outstanding Achievement Award at 69th
Engineers' Convention**

(April 26, 2004, Frankfort, Kentucky): Hans Probst, a professional engineer in Kentucky and California and a Louisville resident, received the Outstanding Contribution to Leadership P.E. Award at the Kentucky Society of Professional Engineers (KSPE) 69th Annual Convention held in Owensboro during April 15-17. Leadership P.E. is a program co-founded by KSPE in 1998 and which is a leadership development program designed to encourage, strengthen, and build the professional careers and the civic involvement of entry- and mid- to upper-level engineers. Probst is a graduate of the charter class of Leadership P.E. and continues to play a role in the program as an instructor of personal leadership and management and a committee member.

He received his Bachelor's of Science degree in Civil Engineering from the University of Kentucky and in 1997 received an MBA degree from the University of Louisville. He worked in private practice for several years prior to joining the U.S. Army Corps of Engineers, Louisville District in 2002, where he manages development of Architect & Engineer design services. He is an active member of the Society of American Military Engineers, which was one of the three founding sponsors of Leadership P.E. He also serves as 1st Vice President of the Kentucky Engineering Foundation, Inc., and is the investment manager for the Society of American Military Engineers.

Probst served in the US Navy from 1982 until 1993, where he was Civil Engineer Corps Officer. He has been in the US Naval Reserves since 1997 and continues to serve in the reserves.

Founded in 1934, the Kentucky Society of Professional Engineers is a membership organization for professional engineers (P.E.s), professional land surveyors (P.L.S.s), engineers-in-training (E.I.T.s), and students pursuing careers in these and related areas. The organization is headquartered in Frankfort, Kentucky. It has about 1,500 members and has 13 regional chapters in the state.
